SKILLS

Skilled in financial analysis, equity research, and mutual fund evaluation, with hands-on experience using Excel for data modeling and ratio analysis. Familiar with tools like PowerPoint, Google Sheets, and financial databases. Strong communication skills, team collaboration, and time management developed through project work and active participation in events. Fluent in English and Hindi, Report writing & Business Email Drafting.

PROJECTS

Comparative Analysis of SBI and Motilal Oswal Mutual Funds.

Conducted a detailed academic research project comparing the financial performance, fund composition, and digital transformation initiatives of SBI Mutual Fund and Motilal Oswal Mutual Fund. Tools used: Microsoft Excel, official fund fact sheets, financial ratio analysis.

ACTIVITIES

Beyond academics, I've actively engaged in finance events during college, strengthening my interest in markets and research. I've consistently played football from school through college, and participated in various sports and music events. My involvement in NSS activities, including environment drives and community walks, reflects my commitment to social impact. In school, I was part of Yuvarakshan, showcasing all-round development, and pursued French as a hobby to explore new cultures. These experiences have helped me grow as a well-rounded, curious, and team-oriented individual.
